

Did you know these features are available?

- ❖ **Account Order:** Change the order in which your accounts appear by clicking on **Options>Account**. Highlight and drag the accounts into the order you would like.
- ❖ **Account “Pseudo Name”:** Create a “Pseudo Name” (nickname) for your accounts, such as *Vacation Account*, by clicking on **Options>Account**.
- ❖ **Alerts:** Create an Event, Balance, Item, or Personal alert by clicking on **Options>Alerts**. For instance, a Balance Alert is designed to notify the account holder when the balance is above or below a designated balance. An Item Alert is designed to watch for the hard posting of any item with an item number, such as a check.
- ❖ **Debit Card:** Report your lost or stolen card by clicking on **Options> Debit Card**.
- ❖ **Bill Payee “Pseudo Name”:** Create a “Pseudo Name” (nickname) for your Bill Payees, such as *Electric Bill*, by clicking on **Bill Payment>Payees**. Click on the **Select Option** dropdown menu and choose **Edit**.
- ❖ **Bill Payment Confirmation:** Confirm a Bill Payment before sending it by clicking on **Bill Payment>New Payment>Quick Payment**.
- ❖ **Bill Payment History:** View Bill Payment history by clicking on **Bill Payment>History**.
- ❖ **Bill Payment Recurring Payment:** Create a recurring payment, such as *Monthly*, by clicking on **Bill Payment>New Payment>Add Payment**.
- ❖ **Contact Us:** Contact Customer Support by clicking on **Contact Us>New**.
- ❖ **Customer Notices:** Links to important customer notices and alerts will be featured at the top of the first page of Online Banking.
- ❖ **Display Options:** Change the way your information displays, such as transfer and transaction history, by clicking **Options>Display**.
- ❖ **E-Statements:** Sign up to receive statements online by clicking on **E-Statements>Enrollment**.
- ❖ **E-Statement Recipients:** Add additional recipients for your E-Statements by clicking on **E-Statements>Additional Recipients**.
- ❖ **Password Reset:** Reset your own password in the future by clicking on **Options** and choosing a Password Reset Question and a Password Reset Answer.

- ❖ **Security Settings:** Modify your security settings, including your User ID, Password, Personal Watermark, and E-mail address, by clicking on **Options>Personal**.
- ❖ **Statements:** View your statement by selecting the **Statements** option in the drop-down menu to the right of your account balance on the first page of Online Banking.
- ❖ **Stop Payment:** Place a stop payment by selecting the **Stop Payment** option in the drop-down menu to the right of your account balance on the first page of Online Banking.
- ❖ **Transfers:** Transfer money between accounts by selecting the **Transfers** option in the drop-down menu to the right of your account balance on the first page of Online Banking.
